Flocking to Shepherd

Events & Updates on Happenings at SOTL

God's Blessings to you and yours.

Have you ever had someone join in a conversation your having and at first you thing 'who is this person'. Then after a few minutes you recognize them. Maybe you make a joke of the situation or maybe you are too embarrassed to mention it and hope that they didn't notice. I think at one time or another, we have all experienced this. Even in the bible, there is a story about this type of situation. Join us on Saturday or Sunday and hear the story again or maybe for the first time. All are welcome.

Please take a few minutes to read through all of the announcements listed. Here are the headlines you will find:
